Your Parts + Our
Finishing Know-How
=
Mutual Success!

- Our recently installed Nadcap-Accredited Cadmium plating hoist line for barrel and rack plating serves Aerospace, Industrial, Military, and other customers seeking this salt and corrosion-resistant finish.
- This line has increased our Nadcap Cadmium barrel and rack capacity and long-term capability, providing consistent first-time quality and best on-time delivery for our customers.
- Call us today for job-development discussion and quotation.

Cadmium – Rack

Cadmium – Barrel

"We have entrusted our plating work to Erie Plating for more than 30 years... Having worked with them so closely my whole career, there is no other company I could endorse as strongly."

*Ted Simpson
Supply Chain Manager,
PennEngineering*

"Erie Plating Company has been a trusted business partner for over 25 years. You can count on Erie Plating to collaborate with you to develop a cost-effective plating solution."

*Steven Godfrey
President,
Anderson Precision Inc.*
